Des Moines, Sept. 15.—Driven insane through drink and despondency, Joseph Hammer last night shot his wife twice through the head. He set fire to his home, and his body was found on the river bank with a hole in the temple. His wife cannot live.

Jacksonville, Fla., Sept. 15.—Reports received by the board of health from Key West show two cases of yellow fever and one death.

San Francisco, Sept. 15.—All of the regular troops at the Presidio and three regiments of volunteers awaiting transportation to Manila, will be reviewed by General Shafter tomorrow. Four thousand troops are to be inspected.

London, September 15.—While the staff of the foreign office will maintain continuous communication tonight with Mr. Chamberlain, it is not believed that the result of the debate in the Volksraad will be received before Friday. Dispatches from Capetown, dated midnight, attach great importance to an article in the *Uitland*, the organ of the Afrikaner Bond, which urges the Transvaal to renew its offer regarding a conference, declaring that there is no reason why the Transvaal should not accept a conference and calling attention to the fact that the word "sovereignty" is not mentioned by Mr. Chamberlain, and that, therefore, there is nothing to indicate an obligation on the part of either government to abandon its views on the subject.

Publish the Statement.

While the administration organs and the governor's advisers continue to harp about the economical manner in which the various institutions of the territory are conducted, it is quite noticeable that no figures or tables of comparison between his and the preceding administration are given. Under Governor Hughes and Franklin there was rigid economy practiced. Many believe there is an unparalleled era of extravagance at present. This presumption is borne out by the fact that the assessment roll and tax levy have both been increased. Notwithstanding over a million dollars has been added to the valuation the past year, the rate has been increased. What is done with the money? Why are the governor and board of control afraid to give out the expense list? The reason is apparent. The figures will not stand comparison—Enterprise.

A Wonderful Cure of Diarrhoea.

A prominent Virginia editor had almost given up, but was brought back to perfect health by Chamberlain's Colic, Cholera and Diarrhoea Remedy. Read his editorial.—From the Times, Hillsville, Va.: I suffered with diarrhoea for a long time and thought I was past being cured. I had spent much time and money and suffered so much misery that I had almost decided to give up all hopes of recovery and await the result, but noticing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy, I decided to try it. After taking a few doses I was entirely well of that trouble, and I wish to say further to my readers and fellow sufferers that I am a hale and hearty man, and feel as well as I ever did in my life.—D. R. Moore. Sold by all druggists.

This is going the rounds of the press. As Bisbee is baseball crazy it will find readers here: "Play nearer your base, darling," murmured she coyly, and accepting her gentle coo, he drew her to him with an enticing out curve, "and who shall umpire our nuptials, love?" said he, having taken one kiss and making bold efforts to steal a second, "I care not, sweetheart," she said gently, "so the game ends in a tie," and they fastened their faces together in one long, luscious two-bagger. And he telegraphed her father as follows: "See me one two in our favor. Due to good team work. Send gate receipts at once, for we need support."

Mrs. Maude Moore and her daughter, Miss Jessie, were seen in Wilcox by the News gatherer yesterday. Mrs. Moore sold her ranch as stated last week and also her cattle. T. S. Hudson who has been in the employ of Frank Moore for some time, bought the cattle. Mr. Moore and daughter think they will go to Chicago to test the Range News.

Played Out.

Dull headache, pains in various parts of the body, sitting at the pit of the stomach, loss of appetite, feverishness, pimples on face are all positive evidence of impure blood. No matter how it becomes so it must be purified in order to obtain good health. Acker's Blood Purifier has been stated to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Sold by J. S. Williams & Co.

On account of the national holiday in Mexico on September 16, the Western Union Telegraph company will close their offices in that state from 8 p. m. September 15 to 8 a. m. September 17. Parties having telegraph business in Mexico should bear this in mind.

Mrs. M. Clough and Mrs. George C. Clark, mother and wife of the well known surveyor, arrived Wednesday from Denver, and will make their future home in this city, having taken up their residence in the Granstrom house on Nob Hill.

Moki Tea positively cures sick head ache, indigestion and constipation. A delightful herb drink. Removes all eruptions of the skin, producing a perfect complexion, or money refunded. 25 cts. and 50 cts. For sale at Bisbee Drug Store.

It is reported, and on good authority, that a well known resident of this camp and a former Tombstoner, is soon to join the ranks of the benedicts, and he will then have to buckle down as he never has before.

O. K. Livery Stable will be restocked with a complete line of new buggies, surreys, carriages, buckboards, mountain spring wagons, traps, everything to make a first class livery stable, in a few days.

The Mexican band was out on a serenading tour last night, and visited many parts of town. They are becoming good musicians and Bisbee can now boast of two good bands.

Wall Paper.

Our line of wall paper is the very latest, being designs of 1898.

The New Dress Goods

EVERYTHING we tell of these days can be truthfully prefixed by "New." Especially so does this apply to Dress Goods.

This concerns Novelty Dress Goods, of which we have about fifty patterns—no two alike.

In the dress goods world, the reign of the plaid is supreme—so in this collection plaids are plentiful, but there is no lack of fancy weaves in plain colors, and the plain weaves so desirable for suitings.

Crepons and Poplins, bayedere and two toned effects, rough and smooth finished goods—checks and plaids, stripes and dots—a careful selection of the best the Eastern market had to offer, and, we doubt not, the highest class dress goods to be found in the territory.

Prices are from 85c to \$2.25 a yard—but without the goods before you price means little.

GOLF ... HATS

The First Showing of the New Smart Hats for Women

CALL THEM Golf Hats, Automobile Hats, or what you will. The important fact is they are exceedingly Stylish and popular.

Made of a Felt, with brim slightly turned up at back, and down in front, or not as you wish it; plain or fancy colored silk folded and tied at the side forms the band, through which is fastened a quill.

Briefly, this describes the hat, but no words can quite express the fetching, natty effect of the hat when it is fulfilling its mission—crowning fair woman.

In brown, gray, black, blue, and castor shades.

Prices from \$1.25 to \$4.50.

They are going rapidly and in order to see the showing in its completeness you should come early. There are only one or two of some styles, so early choosing is best.

The Text Books prescribed by the Territorial Educational authorities, and the prices at which we are selling the same, are as follows:
